

GIVE A BIKE PROJECT

1.

share the
go fund me

2.

assemble a bike
as a team!

3.

deliver a bike to
a local family

WHAT IS THE GIVE-A-BIKE PROJECT?

Every year during the Holiday Season, Pitbulls Fastpitch Organization raises money to purchase children's bicycles. In December, our athletes come together with other local organizations to assemble the bicycles in teams and hand deliver them to local families in need of a little help.

HOW TO HELP!

There are **many ways** to get involved and help in the Give-A-Bike Project.

Find what works for **you** !

Together we can make a big impact by simply chipping in.

HELP DELIVER

IDENTIFY a FAMILY in NEED

DEAR TEAM LEADER,

I am writing to see if your organization would be interested in joining our Give-A-Bike Project.

We believe community service instills values of awareness, responsibility, and compassion in our athletes and thus as a college-prep fastpitch organization, we are committed to community involvement.

Every Holiday Season, our athletes raise money to purchase children's bicycles for families right in our backyards in need of a little help.

In December, our athletes come together to hand assemble & deliver the bicycles to the families.

Please help us hit our goal of raising **\$4,000** to purchase 40 bicycles!

By sharing our Go Fund Me Page or Donating, we are one step closer to helping 40 local families this Holiday Season.

If interested in getting your team involved, please contact Jillian at jillian.pitbullsfp@gmail.com.

PARTNERS WHO HAVE JOINED US!

we are honored to partner with these great organizations each year to make this Project a reality in our communities.

Proud to Stand Together.
